

Prime's Solutions

How much control do you have over the medical/healthcare services in your building? How involved is your Medical Director? How well do you sleep at night? If surveyors walk into your building tomorrow, will you be prepared? Prime brings you that control and peace of mind by professionalizing the medical/healthcare services in your facility.

Prime Prevention

- Evaluation and audit of your current services – mock surveys.
- Medical Directors experienced in physician management
- Physicians knowledgeable of LTC regulations and the care of LTC patients.
- Nurse Practitioners - Provide on-site day to day medical/healthcare management
- Quality Assurance
- Education of your clinical staff
- Medical/healthcare service compliance programs

Prime Intervention

- Crisis & IDR Management - No medical/healthcare organization has more experience
- Emergency Medical Directors and medical staff experienced in dealing with pressurized survey situations
- Medical staff development
- Assistance with quality assurance programs
- Intervention for survey issues

Prime's Mission

Prime Health Group was established in 1998 to provide professional medical/healthcare services in facilities serving the geriatric population. We are committed to providing high quality services in a caring and ethical manner, in full compliance with all Federal, State and local laws and regulations governing the health care industry.

PRIME HEALTH GROUP

Our Team

Irma Chapin, RN provides nurse consulting services, e.g. mock surveys, lab audits, chart reviews, inservices, staff leadership and developing responses to survey issues.

Jay Mutchnik, LPT, oversees all facets of the day to day operations of Prime and directs the rehab therapy resources.

Frank Polun, DPM, directs the podiatry services and compliance audit program in 25+ LTC facilities in Maryland.

Marvin Rabovsky, MBA, directs the business development of Prime and provides consultation in nursing home management for both stable and troubled facilities.

Judith Ryan, CRNP, directs the on-site nurse practitioner services in LTC facilities and coordinates NP management activities.

Ben Silverman, CPA, oversees the financial operations of Prime and provides LTC reimbursement consultation.
